

RATHER BE DIVING

Happy New Year

Looking for a Dive Buddy?

Come and join Dedicated Divers they meet the first Wednesday of each month at Cancun Restaurant in Escalon at 7pm. They plan a dive each month and connect divers looking for buddies with other divers. You can email them at DDivers@aquaticdiscount.com

Save A Dive Kit/Tools

Do you have a save a dive kit and tools in your dive bag? Divers should be carrying a basic kit to allow them to do field fixes to enjoy their dives. So what should you be carrying?

1. An adjustable wrench that opens at least for a 5/8 inch hose fitting.
2. Allen wrenches
3. A jewelers screw driver set
4. Needle-nose pliers
5. A set of screw drivers both Phillips and Flathead
6. Dental pick (preferably brass)
7. A small wire brush
8. An assortment of orings (not just for tanks, but hoses, spoolers, etc.)
9. Assorted zip ties
10. Both high and low pressure port plugs
11. Computer batteries
12. An assortment of lubricants (silicone grease, dry suit powder, wax, etc.)
13. Gear wash

We offer kits containing many of these items and classes on maintaining your gear. Come and chat with us about your needs and let us help you put together a kit.

Traveling this Year? Join us in Palau

We still have spots left for the Palau trip in July 2018. Cut off is March 2018. The Palau trip is some of the best diving in the world. Dive the World War II wrecks, come and see Blue Corner a unique spot for ocean pelagic fish. We have secured air fare and 13 dives in this trip per week, along with basic dive gear, nitrox, accommodations all beginning at \$3487 per person double occupancy. We have a diver looking for a roommate in the first week too. [Click for details.](#) If you can't go this year how about next year in Roatan?
