

RATHER BE DIVING

We hope to bring you information about dive sites, Critters, our coming events, activities and specials. We encourage you to send us pictures of your diving adventures. Send them to adssales@charter.net

Need to Try Out that New Gear?

April 23 Discover Scuba at Ripon High School from 1 pm to 3 pm. ALL funds from these events go to the local swim programs (please make your checks out to Ripon Aquatics). It is your opportunity to share your diving world with those that haven't tried it before. It is also a chance for you to try out your new gear, dust off the cob webs from a slow diving season, or just come and sharpen your skills. We always set up our buoyancy course for practice. Cost is \$13. If you are bringing your own gear please let us know and we will provide the air. Ripon High is 201 Acacia St. Ripon CA.

Critter Corner

Mandarin Fish

The common name of the mandarin fish comes from its extremely vivid coloration, evoking the robes of an Imperial Chinese mandarin. They are very tiny fish found in the sand between reefs. They habit the warm Pacific waters where our next trip is going, Palau. Come and join us and get your own pictures of these colorful fish.

2018 Trip Planning?

Start saving for your 2018 by putting your reservation in for our 2018 Trip to Palau July 7-14 for \$1835 per person double occupancy. 7 nights 8 days 13 boat dives, breakfast, lunch on dive days, free nitrox. Dive the wrecks of World War II and the colorful fish of the Pacific. Contact us for details.
