RESCUE CLASS

This is a good class to have under your belt. It would be a tragedy to not be able to save your buddy or yourself. We teach you the basics, prevention, assessment of diver stress, how to approach the diver, techniques of finding missing divers, bringing them to the surface, other rescue techniques, and attending to their needs as the first responder.

The Fun Part

The fun part about this course is rising to challenges and mastering them. Most divers find this course both demanding and rewarding, and at the end, say it's the best course they've ever taken.
